SPECIAL DRESS CODE SPIRIT WEEKS

During the season we will have a few weeks where the dress code is lifted! These are special celebration weeks or weeks where dancers may wear whatever color they want to class. Standard attire requirements still apply to an extent because we want the dancers to be able to move for class (Example: A blue or pink leotard instead of a black leotard). A full list of these weeks is included with the Studio Calendar.

CLASS ATTIRE FAQs:

If the dress code says “black” can he/she wear a black t-shirt or tank top that has a logo on it?

Answer: No. The only logo we are allowing is a Spokane Elite Dance Studio logo. Our purpose in creating this rule is that we want the focus to be on the dancer and not what he/she is wearing.

Can my dancer’s pants have a color on it?

Answer: We will allow a small amount of color on their pants, leggings, or shorts so long as the majority of the material is black.

Can my dancer wear only socks to class (no shoes)?

Answer: We will only allow socks-only for dancers who are doing a trial class. Once committed to the class dancers must be wearing proper shoes to class as listed above. Black socks can be worn under the shoes if desired.

What is the penalty if dancers show up not following class attire standards?

Answer: If it is the first week of class then they get a pass. After that they will get one week where they are reminded of the class attire standards. Following the reminder we will ask the dancer to sit and watch class (we will provide them paper so they can take notes).

Can my dancer have her hair braided back/half-up/finished with an awesome hair accessory?

Answer: Outside of ballet, hair may be braided back so long as it is secure and the dancer is not distracted by it falling out during their class. Half-up is okay for genres other than ballet if the majority is pulled out of their face. Individual instructors may require bun or ponytail only. Please no hair accessories except on Crazy Color Weeks.

Can my dancer wear only a sports bra to class?

Answer: No. We will not allow dancers to wear only a sports bra, however, crop-tops that fall lower on the torso are allowed for classes at Level 4 and above. Individual instructors may ask dancers to not wear crop tops either.

Why do we follow these class attire standards?

Answer: For two reasons -

1. A neat and tidy appearance sets an attitude of attentiveness and respect for the students, teacher and the art of dance. How a dancer feels will affect how they dance.
2. Teachers must be able to see the dancer’s body outline clearly in order to make proper corrections on posture, alignment, etc.
